2POCKET Value Counter / Denomination Sorter

 *Sorteadora por Denominación*

Contadora por Valor

Súper-Rápida

sbm

Why 2POCKET?

Denomination Sorting

Selects a single denomination from mixed notes

Value Counting

Mixed denominations can be counted at the same time

Superfast Counting

When counting damaged banknote or other denominations, 2pocket keeps counting because it sends the damaged banknote or other denominations to the reject pocket

When counting damaged banknote or other denominations,
